WHO WE ARE

The Duman Entrepreneurship Center is designed to support entrepreneurs throughout the business lifecycle. The program provides start-up and existing businesses with a strong business foundation, resources, and peer support.

We're here to serve you in the following areas:

ADVISING

Duman Center business advisors can help develop business plans and financials, complete loan applications and direct you to agencies that provide specialized assistance.

ACCELERATOR

The Duman Startup Accelerator helps aspiring entrepreneurs launch their new business by providing the tools and resources to help participants articulate their vision and business model.

MENTORSHIP

Our mentor network of successful entrepreneurs complements the support services offered by Duman Center staff and can help you address specific business opportunities and challenges.

LOANS

Entrepreneurs with a completed business plan, twelve months of realistic cash flow projections and relevant business experience can qualify to receive low-cost small business loans.
