IV. **Group Discussion Questions**

*What about worker cooperatives excites you? What leaves you confused, hesitant or skeptical?
How do you think workforce development agencies can help build and support worker cooperatives?*

How do you think worker cooperatives could benefit workforce development agencies and their job seekers?

V. **Announcements & Adjourn**

CJC moves people out of poverty through employment using on-the-ground expertise, advocacy and capacity-building.

Workforce 360 is a monthly meeting highlighting the intersection of workforce development practice and policy. We identify a specific workforce topic and examine solutions from both a policy and on-the-ground practitioner perspective.
