CJC moves people out of poverty through employment using on-the-ground expertise, advocacy and capacity-building.

Workforce 360 is a monthly meeting highlighting the intersection of workforce development practice and policy. We identify a specific workforce topic and examine solutions from both a policy and on-the-ground practitioner perspective. For more information please contact Angela Morrison (angela@cjc.net), Ashley Hamilton (ashley@cjc.net), or Cheryl Hester (cheryl@cjc.net).
