

REVOLUTION WORKSHOP

REVOLUTION WORKSHOP is a construction pre-apprenticeship. It's like construction "boot camp". It's a fast-paced, intense program that allows you to start developing the skills you will need to succeed in the construction industry.

RW AT A GLANCE

- 10-12 week intensive training course. You will receive industry credentials in Core construction and OSHA-10
- Sessions held at the training facility in Garfield Park
- RW is free and you receive transportation assistance while participating!
- Graduates receive their own basic set of tools and personal protective equipment
- 91% of graduates receive jobs in construction after the program
- Must be 18-40 years old & able to obtain your driver's license

TO APPLY Our next cohort begins January 13th. Information sessions are every Monday starting Nov.11th - Dec.16th.

Address: 3410 W. Lake

Time: 1p
